Ben Hughes of Hughes Custom Carpentry, Inc. has been in the carpentry business for 18 years. He was employed by Joe Link Builders, Milton, WI, for 7 years before starting his own business in 2000. He specializes in finish trimming and contracting new homes, of which he has built 8 to date. He built Mocha Moment in 2003, which is a coffee shop in Janesville, and he also has bought a home that he remodeled to brand new and has sold. He has completed numerous additions, basement finishes, decks, remodeling projects, and custom woodworking projects. Ben is a hands-on builder, being involved in every step of the construction, and does a lot of the work himself including but not limited to: finish trim, siding, framing, stairs, cabinet installation, and door and window installation.
